TO SHARM STATES

THE STATES AND ALL STATES

THE STATES AN

ALMOST A CASE OF POISONING.

The 'Young Un' tells the following capital story in a Philadelphia paper:

A bumpkin entered an apolhocary's where I chanced to be present, yesterday, and called, in laste for plain sody and magneeshy.

The boy vender of drugs took a glass jar from the Proprietor not being accountable for any error beyond the amount charged for the advertisement.

A reasonable deduction will be made for payment in advance.

The ventering which he couldn't make out, handle advance is ticated youth—oh! it is horrible to be discard
The ventering assonable to make or payment in soil and the grant of the grant of the grant of the grant of the counter, upon which was an uijility to him in all the guileless inflorence of nasoph
The ventering assonable to payment in siticated youth—oh! it is horrible to be discardwith care.

The youngster examined it, appeared satisfied it was right, dashed out a couple of table spoonfuls of what he supposed to be liquid magnesia, and adding the due modieum of well charged soda, handed it to the green 'un, who gulped it to the dregs. As he was about to pay for it, the label met his eye.

'Wat's that yer gin me?'

'Magneeshy,' said the boy.

'Wot's that label mean?'

TAKE A NEWSPAPER.

Winter is now here with long evenings and strength of the strength of the label was about to have the first of the label mean?'

TAKE A NEWSPAPER.

The soda operating upon an empty stomach, rushed stinging through his nostrils, and, believing himself poisoned, sure, he shouted lustily for the surgeon.

Send for a doctor, O lud—I'm a goner—pizioned, o lud—I'm a goner—pizio At this moment the proprietor of the store tion for the intellectual and social powers will happened to step in, who, observing the countryman's violent gestures; suspected that some musements, or else it becomes morbid and sens-dreadful mistake had occurred, and inquired less, and what a never failing fountain for implication of the country of the co provement is provided in the family newspaper.

Among some of our earliest recollections of delight, is mingled the arrival of the rider with weekly treasure. How our hearts beat with joy as we heard his horn sound in the distance, her-'If we did ye take it?' diding his approach; and when the prize was 'Just as he gin it tur me, O lud! O lud!' drawn from his saddle bags, and throw into the The stomach pump was about to be brought door yard, and a scramble ensued among the justic requisition when the boy handed the doct-venile portion of the household for the news.

LE

ellunge Less et.

The debates in the senate on the Mexican question larve been of extraordinary interest and importance; and cannot full to have a wide influence on the politics of the country. The ition taken by Mr. Calhoun, the patriotic ground of Mr Cass, and the demagoguism of John P.

Mr Calhoun has not only continued the course that has been so deeply regretted by many of his old political friends, but manifests a determe ination to make the breach still wider. He aspoints will be triumphantly met by the democrat- as it seems to offend Mr. Drew. is senators. No fine drawn reasoning can party the strong array of facts that throw the onus of the war where it belongs, on to the shoulders that proposed would have taken in New Mexico and graduate of this school."

one source of revenue is the mines of Mexico, and it is in contemplation to turn the revenue derived from the Mexican government from these derived from the Mexican government from these which trained the tederal constitution, he presented into our treasury. Now, when this is constitution to that effect could not sidered, well does General Cass contend that at but a constitution to that effect could not be more formed a government from the sidered well does General Cass contend that at but a constitution to that effect could not be understood as a supposed existence of enficient than the growing and general Towson, Pay master than the growing and supposed existence of enficient than the growing and supposed existence of enficient than the growing and general Cushing and gen sidered, well does General Cass contend that al, but a constitution to that effect could not promit speculators, as despote as the thirty ty-birth and wings to this epidenic machine. Democracy should continue to triumph. But aly in Courts Marshal, and will doubtless lead to the money the additional troops will cost ought pass that body, and it was with great difficulty rants of Atlants."

Fisher Ames, an old-inshiened federalist of the next to true political principles, the success of difficulty. His office of paymaster general is a the money the additional troops will cost ought pass that body, and it was with great difficulty rants of Atlans." to be regarded as light as dust, compared with pass that cony, and it was will great unliability rates of the pass that cony, and it was will great unliably rates of the pass that cony, and it was will great unliably rates of the pass that cony, and it was will great unliably rates of the pass that cony, and it was will great unliably rates of the pass that cony, and it was will great unliably rates of the pass that cony, and it was will great unliability rates of the pass that cony, and it was will be passed to the pass that cony, and it was will be passed to the passed that cony, and it was will be passed to the passed to the passed that nothing can justify the nation's representat the Delegates would assent; but they at length the majority into the hands of those who were

NOTICE OF FORTICE COURS.

WHEREAS, on the thirteenth day of January A D. 1844, John W. Wille, of Parls, in the County of Oxford, conveyed to Simeon Cumpitals, of said Parls, by his Mortgage Deed of that date duly and legally executed, certain real estate situate in eath Parls, therein described, which Deed is recorded in the Registry of Deeds for the County of Oxford, Book 68, page 221; and whereas, on the twelfth day of August A. D. 1846, the said Similar Cumming a seigned the aforesaid Deed of Mortgaga together with all his right, title, and interest in and to the premises therein described, to me the undersigned, which said assignment is recorded in the Registry of Deeds aforesaid, book 78, page 261; Now, therefore, he it known to whom it may concern, that I, the undersigned, claim to foreclose the aforesaid mortgaged premises for condition broken, and do by this public notice foreclose the same, agreeably to the provisions of the law in such cases made and previded.

Parls, January 17, 1848.

Farls, January 17, 1848. MOTICE OF FORECLOSURE.

TO TEACHERS AND SCHOOL COMMITTEES.

Town's Series of School Books, RITICALLY REVISED AND IMPROVED TO MEET THE WANTS OF THE SCHOOLS OF THIS STATE.

Town's first readen.

containing 64 pages 16 mo., comprises a scrice of progressive lessons, commencing with the Alphabet, and advancing to words of two syllables. The words of composing the Reading Lessons are all first presented in Spelling columns, with which the child should become familiar before pronouncing them in centertones. It is printed in large open type, and oranmented with beautiful ongravings, and is introducted on Reader.

TOWN'S SECOND READER, contains 192 pages, 18 mp., and is adapted to the re-tainment of the learner, after he has become familier with the "First Readers" It is arranged on the same with the "First Render." It is arranged on the same progressive plan, and contains lessons characterized for both parity of language and sentiment, and for a sprightly and attractive style. Each lesson is preceded by words for Spelling, or for Spelling and Defining, and a few of the most common Errors in premunication, and followed by questions on the subject matter of the piece. It is printed with new type, and contains numerous engravings.

Paris, January 4, 1848.

Real Estate for Sale.

N Wednesday, the sixteenth day of February next at ten o'clock in the forenoon, at Bridgham's Inn in South Paris. I shall sell at public Auction (if not previously disposed of at private sale) that eligible Houst-lot known as the Lebarron lot, situated in Paris South Village, containing one acre more or less, part of Lot No. 9, in the 2d Range in Paris, now owned by Many E. Halt and Denish Late was proposed in the same manner as in the "Second Reader."

Town's THERD READER, contains 288 pages, 12 mo., and is adapted to the middle class of learners. It embraces full and important exercises in Articulation, and a few of the most simple rules relating to other prominent principles of Elecation, and is a complete introduction to the system of Rules in the Fourth Reader. The Special most simple rules relating to other prominent principles of Elecation, and is a complete introduction to the system of Rules in the Fourth Reader. The Special Reader." The character of the selections is also containing one acre more or less, part of Lot No. 9, in the 2d Range in Paris, now owned in Many E. Halt and Denish Late Wash.

Town's THERD READER, TOWN'S THIRD READER,

TOWN'S FOURTH READER, contains 408 pages, Boyal 12 mo., and is designed for the higher classes in Common Schools and Academics. It is arranged in two Parts. Part I, embraces a clear and philosophical arrangement of the Elocationary Rules pertaining to both Prose and Poetry, with ce-pions illustrative examples and exercises.
